

Reviewers 2022

Lwaa Faisa Abdulameer, University of Baghdad, Baghdad, Iraq
Adam Abramowicz, Warsaw University of Technology, Poland
Paweł Batura, Silesian University of Technology, Poland
Manisha Bharti, National Institute of Technology, India
Paweł Białoń, National Institute of Telecommunications, Poland
Jędrzej Bieniasz, Warsaw University of Technology, Poland
Piotr Bilski, Warsaw University of Technology, Poland
Stephen Bocquet, Defence Science and Technology Group, Australia
Grzegorz Borowik, SWPS University, Poland
Krzysztof Bronk, National Institute of Telecommunications, Poland
Adam Bujnowski, Gdańsk University of Technology, Poland
Evren Catak, Norwegian University of Science and Technology (NTNU), Norway
Krzysztof Cichoń, Poznan University of Technology, Poland
Agnieszka Czapiewska, Gdańsk University of Technology, Poland
Michał Dłubek, Fibrain, Poland
Yunus Dursun, University of Manchester, UK
Tomasz Dziubich, Gdańsk University of Technology, Poland
Etimad Fadel, King Abdulaziz University, Saudi Arabia
Maria Ferlin, Gdańsk University of Technology, Poland
Małgorzata Gajewska, Gdańsk University of Technology, Poland
Sławomir Gajewski, Gdańsk University of Technology, Poland
Piotr Z. Gajewski, Military University of Technology, Poland
Konrad Godziszewski, Warsaw University of Technology, Poland
Grzegorz Górski, Koszalin University of Technology, Poland
Konrad Gromaszek, Lublin University of Technology, Poland
Przemysław Ignaciuk, Łódź University of Technology, Poland
Iacovos Ioannou, Univeristy of Cyprus, Cyprus
Andrzej Jakubiak, Warsaw University of Technology, Poland
Salim Janji, Poznań University of Technology, Poland
Ahmed Jedidi, National School of Engineering Sfax University, Tunisia
Konrad Jędrzejewski, Warsaw University of Technology, Poland
Paweł Kabacik, Wrocław University of Technology, Poland
Dasari Kalyani, VNR VJIET, India
Lavish Kansal, LPU, India
Adam Kawalec, Military University of Technology, Poland
Jan Marcin Kelner, Military University of Technology, Poland
Faranak Khosravi, USTA, India
Mirosław Klinkowski, National Institute of Telecommunications, Poland
Megha Kolhekar, IIT Bombay, Research Scholar IIT Bombay, India
Joanna Kołodziej, NASK, Poland
Jacek Komorowski, Warsaw University of Technology, Poland
Zbigniew Kotulski, Warsaw University of Technology, Poland
Michał Kowaluk, Silesian University of Technology, Poland
Adam Kozakiewicz, Institute of Control and Computation Engineering, Poland
Sebastian Kozłowski, Warsaw University of Technology, Poland
Jarosław Krygier, Military University of Technology, Poland
Paweł Kryszkiewicz, Poznan University of Technology, Poland
Łukasz Krzak, AGH University of Science and Technology, Poland
Sławomir Kukliński, Warsaw University of Technology, Poland

Sebastian Kula, Kazimierz Wielki University, Poland
Sławomir Kula, Warsaw University of Technology, Poland
Mateusz Kustra, Military Communication Institute, Poland
Adam Lamęcki, Gdańsk University of Technology, Poland
Mikołaj Leszczuk, AGH University of Science and Technology, Poland
Adam Lipka, National Institute of Telecommunications, Poland
Jerzy Łopatka, Military University of Technology, Poland
Piotr Majzner, Maritime University of Szczecin, Poland
Krzysztof Maniak, National Institute of Telecommunications, Poland
Marian Marciniak, National Institute of Telecommunications, Poland
Andrzej Marczak, Gdańsk University of Technology, Poland
Urszula Markowska-Kaczmar, Wrocław University of Technology, Poland
Jan Matuszewski, Military University of Technology, Poland
Vivek Menon, Amrita School of Computing, India
Przemysław Miazga, Warsaw University of Technology, Poland
Jakub Nalepa, Silesian University of Technology, Poland
Jakub Nikonowicz, Poznań University of Technology, Poland
Pamela Njemcevic, University of Sarajevo, Serbia
Mariusz Nycz, Rzeszów University of Technology, Poland
Krzysztof Nyka, Gdańsk University of Technology, Poland
Michał Okulewicz, Warsaw University of Technology, Poland
Karol Opara, Polish Academy of Science, Poland
Piotr Pacyn, AGH University of Science and Technology, Poland
Grzegorz Pastuszak, Warsaw University of Technology, Poland
Jordi Perez-Romero, Universitat Politècnica de Catalunya (UPC), Spain
Anna Pietrenko-Dąbrowska, Gdańsk University of Technology, Poland
Dawid Połap, Silesian University of Technology, Poland
Manjula Raja, SMR University, India
Piotr Rajchowski, Gdańsk University of Technology, Poland
Nihar M. Ranjan, JSPM College of Engineering, India
Piotr Remlein, Poznań University of Technology, Poland
Mariusz Sepczuk, Warsaw University of Technology, Poland
Andrzej Sikora, Warsaw University of Technology, Poland
Paweł Skokowski, Military University of Technology, Poland
Marek Słoński, Krakow University of Technology, Poland
Adam Słowiek, Krakow University of Technology, Poland
Maciej Sobieraj, Poznań University of Technology
Paweł Sroka, Poznań University of Technology, Poland
Ryszard Studański, Gdynia Maritime University, Poland
Marek Suchański, Military Communication Institute, Poland
Michał Sybis, Poznań University of Technology, Poland
Julian Szymański, Gdańsk University of Technology, Poland
Ravi Tiwari, Vellore Institute of Technology, India
Tadeus Uhl, Maritime University of Szczecin, Poland
Pavel Urbanovich, Catholic University of Lublin, Poland
Małgorzata Wasilewska, Poznan University of Technology, Poland
Paweł Wawrzyński, Warsaw University of Technology, Poland
Marcin Wątorek, Krakow University of Technology, Poland
Agnieszka Wielgus, Wrocław University of Technology, Poland
Dariusz Więcek, National Institute of Telecommunications, Poland
Jacek Wik-Jakubowski, Silesian University of Technology, Poland
Joanna Wiśniewska, Military University of Technology, Poland

Piotr Wiśniewski, Warsaw University of Technology, Warsaw, Poland

Piotr Witoński, Warsaw University of Technology, Poland

Anna Wróblewska, Warsaw University of Technology, Poland

Jacek Wytrębowicz, Warsaw University of Technology, Poland

Aimer Younes, University of Saida, Algeria
